

Drive away acne & sun damage this Summer with Isolaz and Profusion Laser Therapy

Your ticket to acne free skin!

Frustrated with pore size, uneven skin tone, & blackheads that just won't leave your skin alone? Get rid of those frustrations with Isolaz deep pore laser therapy, the only aesthetic technology that combines a vacuum & painless laser.

With the purchase of **6 Full Face Isolaz** treatments, receive a **FREE Clarisonic!**

A \$200 value. While supplies last

See your complexion lighten up! Sun damage & acne be gone!

Seeking relief from acne, brown spots and sun damage? Profusion combines a vacuum with enriching vitamins and antioxidants to help nourish and treat damaged skin. It overcomes the challenges of topical applications by deeply cleansing the skin and using a vacuum to stretch pores and deliver therapeutic topical skincare penetrating 3 times deeper than any peel for a much enhanced outcome.
